In that on April 30, 2010 at approximately 0159 hours Officer Rose Michel was on patrol in the area of Warwick Avenue when she was waved down by a passing motorist who stated that a physical altercation was in progress at the Nostalgia Grill & Lounge, 557 Warwick Avenue. Upon arrival Officer Michel noticed several subjects outside the establishment. One subject later identified as the Arrestee being held on the ground by another male subject, identified as the bouncer from Nostalgia. Officer Michel also observed two male subjects who had blood on their shirts and on their faces. The bouncer stated to Officer Michel that the arrestee had just stabbed two individuals and pointed to the two individuals. Rescue arrived on the scene and treated the victims. Officer Michel spoke with the bouncer who stated that when he exited the establishment at approximately 0159 hours he observed that there were male subjects fighting in the street. (10-1098-AR)

Officer Paul Wells spoke with the manager, John Shaw. Mr. Shaw indicated he was inside counting money when the incident occurred. He went on to say that he had kicked out all of the patrons at 0135 hours and had no idea how the three people involved in the fight had come back inside. Mr. Shaw then directed Officer Wells to the basement to view the video of the evening. The video showed at 0153 the suspect exit the bar and wait outside until the two victims came out. Officer Wells then checked with dispatch who checked with 911 and the only 911 call or this Department received was at 0200. The number that was used came back to the cell phone from the manager

**Joe Shaw which was about the same time that Officer Michel arrived from being flagged down and the incident was over. Mr. Shaw stated that the bouncers cleared the bar at 0135 hours. He didn't know how the three had got back inside. Officer Wells informed the managed that it was still the bars responsibility to make sure the patrons were out and not to come back in and they should have made sure the lot was empty. This all needed to be done by the 0130 deadline that all patrons must be out of the bar and off the property. (10-1732-OF)**
